**The Wisconsin Department of Veterans Affairs**

"Making a difference in the lives of Wisconsin veterans"

The Wisconsin Department of Veterans Affairs (WDVA) is currently recruiting for an IS Network Services Senior to serve as a member of the Central Office Network and Security team. WDVA is dedicated to providing services to Wisconsin veterans and their families. Our Central Office is located in downtown Madison, close to Monona Terrace, the Capital, and State Street. Come join our quality team!

### Top Reasons to Work for the Department of Veterans Affairs:

- Team-oriented atmosphere
- Service to Wisconsin veterans
- Commitment to incorporating the latest technologies

Veterans are encouraged to apply. For complete information on veterans’ hiring programs that may benefit you, go to the Employment Assistance page on WDVA's website.

Qualified veterans with a 30%-or-more, service-connected disability are eligible for non-competitive appointment to permanent positions in classified civil service under s. 230.275, WI Stats. For information on how to apply under this provision, please visit WiscJobsforVets. Current State of Wisconsin employees are not eligible for non-competitive appointment.

---

**Position Summary:**

...
This position provides network support for the WDVA, through the establishment of comprehensive and sustainable governance, risk management and compliance framework, and Information Technology (IT) security policies, guidelines and procedures. The incumbent is responsible for all major IT server and network support and maintenance. This position will work with technical support staff and application programmers to coordinate procedure execution, solve problems, configure backup strategies, and develop emergency contingencies for both short- and long-term operations, to meet WDVA network needs.

**Special Notes:**

Due to the nature of the position, WDVA will conduct background checks prior to any offer of employment.

For general information about state employment and instructions for creating an account, refer to the follow link: [General Information about Positions in Wisconsin State Government](#).

**Qualifications:**

**Minimally-qualified applicants** will have experience creating and maintaining networks using industry-standard technology (e.g., installing, testing, planning load balances, monitoring capacity and performance, LAN, WAN, adjusting, ensuring adequate bandwidth, minimizing downtime, network concepts and design, storage, printers, libraries, NAS, SAN, etc.), performing IT security functions (e.g., developing, implementing, monitoring networks, ensuring correct level of security is assigned, off-the-shelf/custom/in-house applications, identifying unauthorized users, using Active Directory or Windows Group Policy, and CISSP or CompTIA-Security+, etc.), maintaining physical and virtual servers (e.g., installing, configuring, supporting, hardware and software, implementing, file and print services, email/web/database servers, troubleshooting, provisioning, delivery control, VMWare Server Virtualization, Citrix VDI, SQL Server, etc.), and troubleshooting and resolving IT issues.

**Well-qualified candidates** will also have experience performing IT installation, backup and recovery functions, and working on a team.

**How To Apply:**

To be considered for this position, you will need to complete the online application process. For instructions, refer to the following link: [How Do I Apply Online and Take an Online Assessment?](#) You will be required to upload a current resume and complete an online assessment which includes providing a cover letter.

Your materials will be evaluated by one or more job experts and qualified applicants will be invited to participate in the next step of the selection process. Failure to submit all required materials by the deadline will result in an incomplete application, which will not be considered.

If you are unable to complete the application due to a disability or have questions regarding the process, contact J Lea Roberts, Human Resources Specialist-Senior at jlea.roberts@dva.wisconsin.gov or 608-266-3344.

Permanent classified state employees, who are eligible for transfer, voluntary demotion or reinstatement into a position assigned to pay schedule-range 07-34, should complete the online application and assessment process.
