**Intern-Undergraduate-Information Technology**  
**Fall 2014**

American Girl, a wholly owned subsidiary of Mattel, headquartered in Middleton, Wisconsin, has openings within our IT department for Fall 2014/Spring 2015 Interns. We employ creative and energetic individuals who DARE to be innovative, and THRIVE in a friendly and fast-paced environment. American Girl is committed to developing employees and supporting their career goals, helping them GROW with a host of meaningful experiences and learning opportunities.

Mattel has been named "100 Best Companies to Work For" six years in a row. By promoting a culture of BALANCE that emphasizes working passionately and taking time to play often, we are proud of how our employees LEAD by example in all that they do!

American Girl’s internship program will develop high potential students through engaging, real-world assignments, projects, relationships, and experiences and create a pipeline of talent that enables American Girl’s future growth.

This position may include some of the following:
- Implement Big Data platform POC, using Cloud technologies
- Collecting and Analyzing consumer data (both structured and unstructured), focusing on Social data
- Working directly with various Big Data/Cloud vendors

**Internship Description:**
- Located at American Girl’s headquarters in Middleton, WI
- 10 hours per week. Working partially remote, a possibility.
- Starting ASAP and available through Fall 2014 and Spring 2015
- Internship is paid

**Preferred Skills:**
- Currently enrolled in an accredited university working towards a Bachelor’s degree in Computer Science, Management Information Systems or Computer Engineering
- Object Oriented Programming: Java
- Interest in Big Data technologies
- Interest/experience in Cloud technologies
- Self-motivated, able to work independently
- Strong research skills
- Strong presentation skills
- Excellent written and oral communication skills
