DANE COUNTY HUMAN SERVICES BUSINESS ANALYST/WEB PROGRAMMER-PROJECT POSITION

Apply online:  https://jobs.countyofdane.com/Opportunity/415

Description
The Dane County Department of Human Services in Madison, Wisconsin has an immediate need for two (2) Business Analyst/Web Programmers. These positions work with key human services stakeholders to analyze needs and to develop software solutions. These positions require skilled web developers responsible for programming and implementing fixes and new features in the department's custom web application. Both positions are project positions that will be working on development in the Comprehensive Community Services module in the Human Services Web Applications. Continued employment is contingent on funding.

Purpose
Under direction, works on design, development, testing and maintenance of web applications.

Function
In cooperation with a team of software developers, IT professionals and business stakeholders, analyze the needs related to a custom developed web application in use by Human Services. Design, test and implement enhancements and fixes to the application; develop software components using a variety of programming languages, tools and integrated development environments; develop reports and interfaces; provide on-going application support.

Prerequisites
Associates or Bachelor’s degree in Computer Science or a related field or equivalent work experience. Prefer experience in translating IT business requirements into software requirements. Analysis, design, development, and implementation of client server and web applications; experience in ASP.Net/VB, VB.Net, Javascript, HTML, CSS, writing SQL queries.

Compensation
Starting hourly salary is $30.98 with further increases to $40.02, plus excellent benefits including fully paid health and dental insurance for full time employees, along with contributions towards retirement, and short/long term disability. Additional benefits available include long term care, vision coverage, flex spending account and deferred compensation programs paid in full by the employee.

Dane County is an Affirmative Action Employer operating under a Civil Service Merit System.

If you are a person with a disability and need an accommodation at any time during the recruitment or employment process, please contact Dane County Employee Relations. All persons are responsible for informing Dane County of their needs.
