Energy Efficiency

Clean Energy

We pay \$15.00 per hour

About Us:

We are dedicated to building the industry's first comprehensive platform for energy efficiency projects in commercial businesses.

We need your help to make this happen – contact us at data@rebatebus.com for more information

Our team is laser focused on giving utility programs, sales teams, manufacturers, distributors, online resellers and actual end customers visibility into rebate programs, product pricing and return on investment analytics on any energy efficiency job.
