

50th Anniversary Celebration Schedule

September 12-13, 2014

Friday, September 12		
Time	Event	Location
5:30-6:30 pm	Social hour with live jazz by the Ben Ferris Trio. Union South is at 1308 W. Dayton St. and the "Pavilion" is outdoors on the 3 rd floor. We'll move inside if it's raining.	Union South-Pavilion
6:30-8:30	Casual "tailgate" dinner with live jazz. Meal will be a casual buffet with options for vegetarians and non-vegetarians alike. Badger attire welcome!	Same as above
Saturday, September 13		
Time	Event	Location
8:30 am	Registration opens at Wis. Institutes for Discovery (WID), 330 N. Orchard St.	WID main floor, outside DeLuca Forum
9:00-9:30	Continental breakfast	WID main floor
9:30-9:45	Welcome	WID DeLuca Forum
9:45-10:45	Speaker: Alumna Carol Bartz , in conversation with Professor David Wood	WID DeLuca Forum
10:45-11:15	Break	--
11:15-12:15	Emeritus panel with Seymour Parter, Tad Pinkerton & Stu Shapiro, organized by Charles Fischer. Hear about the department's early years, what early computing facilities were like, and grad student life during that era.	WID DeLuca Forum
12:30-1:30 pm	Lunch at Steenbock's (restaurant, outdoor patio & private dining room)	WID – Steenbock's
1:00-2:00	WACM meet & greet: Alumnae and current women students in CS are invited to mingle over coffee & tea. (Overlaps with lunch and free time.)	WID conference room 1260
1:30-2:00	Free time	--
2:00-3:00	Alumni panel with Leng Tan ("Venusians in Mars? Thriving Tips for Women in Computing") & Pavan Nigam ("My Journey as a Badger")	WID DeLuca Forum
3:00-3:30	Break & snacks	--
3:00-5:00	Student showcase: explore hands-on demos & posters presented by talented CS students; see list of participants on reverse	WID Atrium
3:30-5:00	Breakout time. Options include: - Browse the student showcase until 5:00 p.m. - Guided tour of WID Town Center (3:30-4:15, meet by WID Welcome Desk) - Tour of private WID spaces led by Prof. Michael Ferris (3:30-4:15, meet by WID Welcome Desk) - Reception for friends of Condor (Union South-Northwoods room, 3:30-4:30)	WID & Union South
5:00-6:00	Free time	--
6:00-7:00	Cocktail hour: Mingle with friends, enjoy delicious hors d'oeuvres, and soak up the ambience of WID's soaring atrium. You may even see Bucky Badger!	WID Atrium
7:00-9:00	Capstone dinner: Enjoy an elegant dinner with entertainment provided by the MadHatters. Speakers include Letters & Science Dean John Karl Scholz.	WID DeLuca Forum

SHOWCASE PARTICIPANTS

3:00-5:00 p.m. in the WID Atrium (near afternoon refreshments!)

Demonstrations:

Human-Computer Interaction Lab members (Director, Prof. Bilge Mutlu):

Sean Andrist, Chien-Ming Huang, Jing Jing, Allie Sauppé, Dan Szafir, Xiang Zhi Tan

Arduino projects by students of Prof. Karu Sankaralingam: Peter Procek, Alejandro Puente, Daniel Wortmann

Information table:

Members of WACM, the student chapter of ACM-W (ACM's Women in Computing): Mona Jalal and Lena Olson

Posters:

Eric Alexander and other students of Prof. Michael Gleicher:

Physics-Based Simulation at Wisconsin

Data Visualization at Wisconsin

Aaron Gember-Jacobson

OpenNF: Enabling Innovation in Network Function Control

Emily Gember-Jacobson

Protecting Complete Executables Against Attack

Shike Mei

Inferring Air Pollution by Sniffing Social Media

Peter Ohmann

CSI: Crash Scene Investigation

Jason Power and other students of Prof. David Wood

50 Years of Computer Architecture

Ben Welton

Mr. Scan: Extreme Scale Density-Based Clustering using a Tree-Based Network of GPGPU Nodes
