Employer:
Epic

Position Title:
Software Tester

Description:
As a Software Tester on our Quality Assurance (QA) team at Epic, you'll play a critical role in ensuring that our software lives up to its world-class reputation. These detail-oriented perfectionists test our software from a medical professional's perspective to make sure it's efficient and intuitive. As a part of our testing team, you'll use your creativity to push our software to the limit. First we use it right, and then we use it wrong. Thinking outside the box, you'll work side by side with our developers to create high quality healthcare software. Kick your career into high gear - break our code. You bring your intelligence, creativity and curiosity; we'll teach you the rest.

More than just important work.
Epic is located in Madison, Wisconsin, a city regularly ranked as one of America's best places to live. You'll earn competitive wages and receive benefits befitting a leading software company (401k match, great health insurance, life insurance, performance bonuses and stock appreciation rights). Epic's environment is one of continuous learning; you'll have access to opportunities to expand your skill set and share your knowledge with others. Epic is an Equal Opportunity/Affirmative Action (W/M/Vets/Disability) employer.

Qualifications:
- Bachelor's degree or greater (any major)
- A history of academic and professional success
- Software experience is not required; we'll train you to be an expert
- Eligible to work in the U.S. without visa sponsorship
- Relocation to the Madison, WI area (reimbursed)
